Regarding: Consent for Union Pacific Railroad To File Wasco County National Scenic Area Review Applications for the Proposed Second Mainline Track Project

This document serves as notice that I/we, Skylar & Kathleen Schacht as owner(s) of the real properties commonly known as, Tax Lot Numbers 2N 13E 8 200, and as more particularly described below (see Table 1 and attached Figure 1) expressly give my/our permission and/or authorization for Union Pacific Railroad to file National Scenic Area Review Applications with Wasco County for permits necessary for the construction and operation of the proposed wetland mitigation project, which would require purchase of my/our property. These applications include Development Approval for Conditional Uses and a Planning Commission Variance Application.

The permission and/or authorization granted herein is for land use application purposes only and is not to be construed as any sort of lease, sale or other real estate transaction or contract. Furthermore, permission and/or authorization granted herein does not include consent for any re-zoning actions and/or encumbrances on the properties described in Table 1.
