## PERMIT INSTRUCTIONS

1. THIS IS NOT A PERMIT. Your permit will be issued later. Once the application has been processed and the required attachments have been reviewed, you will be assigned a Permit Number and a permit will be issued to you.
2. List the name of the applicant (individual, chairperson, sponsor or company), complete mailing address, daytime phone number, fax number if applicable, and the name of the main contact person if the applicant is a company. The organization that accepts responsibility for the event or operations must be listed on the application.
3. If applicable, the proposed operations shall be identified on the application by name and sponsor and shall list the proposed beginning and ending times and dates, as well as the anticipated number of participants.
4. All permit applications shall include a location map and a set of plans or sketch detailing the proposed route or area. The plan or sketch shall show a north arrow and include the event starting point, direction of travel, ending point, all streets and bridges impacted and any other information that would help identify the operations or event.
5. All permit applications must include a detailed traffic control plan and event schedule. The traffic plan and schedule shall be approved by the Wasco County Public Works and the Wasco County Sheriff prior to beginning any operations.
6. Attached to the permit application is a copy of the Operations and Special Event Permit Regulations. These regulations apply to all work to be performed and it is the applicant's responsibility to insure that all permit regulations and conditions are followed.

**Failure to provide required information or attachments will delay permit application processing.**
